### 3 Clydebank HA Colleagues Raise Money for Homeless Charity

Sharon Keenan (Chief Executive), Lynette Lees (Head of Finance & Corporate Services) and Fiona White (Finance & Corporate Services Manager) of Clydebank Housing Association participated in the “Sleep in the Park” event in Glasgow’s Kelvingrove Park on 8th December and slept out overnight to raise money for homelessness. The total has now been tallied up and they raised a fantastic £1,289.20 from friends, family and work colleagues and they thank them all for their support and encouragement. The event, run by Social Bite, aims to eradicate homelessness in Scotland for good and the events in Glasgow, Edinburgh, Aberdeen and Dundee raised over £3.2m.

Sharon Keenan said, “We definitely appreciate more what homeless people go through night after night so we’re delighted to have taken part and to have contributed to the cause”.
