Success of 34th Annual General Meeting (AGM)

Clydebank Housing Association (CHA) is delighted at the success of its 34th AGM and Social Event held at Centre81, Whitecrook, its fantastic regeneration and community centre which celebrated its 10th anniversary last year.

On 27 June, 28 (17%) of CHA's shareholders attended and heard from Kimberley Tennant, Chairperson, as to what CHA had achieved during the year and its plans for the future in terms of new build development and addressing the key risks of the organisation. Sharon Keenan, Chief Executive outlined performance results and comparisons with the previous year and Lynette Lees, Head of Finance & Corporate Services, also explained the Association's annual accounts and financial position at the year-end.

Mrs. Tennant assured shareholders, "that what is most important to us is continuing to achieve high standards of service delivery and high levels of tenant satisfaction throughout. We will do this by continuing to involve our customers in shaping our services and in our decision-making processes. Our customers will be our priority." She also acknowledged the hard work of her fellow committee members who carried out their voluntary role diligently and with dedication.

CHA was delighted and grateful to have the continuing support from many of their contractors and suppliers who sponsored the event.
