Advice for our residents

31 March 2020

Our responses to you

Our priority is, in the first instance, to ensure the health, safety and wellbeing of our staff, tenants and other customers. During this unprecedented time and in response to government advice, we have made significant changes to the way we operate. This may result in slight delays in responding to e-mails and/or telephone calls. Please be assured we will get back to you as soon as practicably possible. We appreciate your patience at this difficult time.

Housing payments – business as usual

Although we are currently closed to the public, we wish to reassure all our customers that rent, factors and CHA Power payments can be made as normal.

Whilst we appreciate the difficult situation we are all in, it is important to stress that rent payments are expected to be made as normal. There are currently no measures led by the Government to allow rent payment breaks or rent free periods.

If you have or think you will have any difficulties in paying your rent please contact us straightaway for advice and assistance. As long as you work with us we will do everything we can to help you.

You can use the following methods to make payments:

We will put in place special provisions for signing up new tenants who are self-isolating or suffering from the Coronavirus to ensure that no one misses out on an offer of a house as a result of illness.

Bin Collections

West Dunbartonshire Council remain responsible for bin uplifts, but are currently operating a reduced service where only general uplifts are taking place on a weekly basis. All waste should be disposed of via this method using your general bin. Please contact the Council on 01389 737000 for any further information or through their social media accounts.

Other housing management services

Please call us on 0141 941 1044 or email us on housingmanagement@clydebank-ha.org.uk for anything else, e.g. anti social behaviour complaints, housing list enquiries etc.

Repairs

Please consider whether your repair can wait before requesting a visit. If your repair is low priority we may ask you to wait before it can be carried out. We are keeping in close contact with our contractors in relation to their availability. We would encourage you to send us photographs or a video of any defect to remove the need for a pre-inspection.

We will be continuing to carry out annual gas services to ensure our tenants health and safety and will be contacting tenants who are due a service to confirm arrangements.

Please let us know if you are self-isolating.

Please note that when you call to report a repair you will be asked the following questions before a contractor visits your home:

- **Are you or any members of your household self-isolating?**
- **Do you or any member of your household have any of the known symptoms?**
- **Have you or any members of your household tested positive for corona virus?**

You can contact us for repairs as follows:

During working hours: 0141-941 1044 or by email: reactive.maintenance@clydebank-ha.org.uk

For day-to-day/essential repairs (e.g. water leaks, choked wc):

For programmed repairs (e.g. heating/hot water breakdowns, gas services, smoke alarms):

Out-of-hours: for gas central heating emergencies, including CHP breakdowns in Radnor Park, call City Technical on 0141 646 5091 (or 0844 579 6493, charges apply). For all other out-of-hours emergency repairs (fire, flood, break-in, repairs to Quantum heating systems), should be reported to our contractors, West Dunbartonshire Council on 0800 197 1004.

Estate Management service

We continue to operate a restricted estate management service. For the protection of our customers and staff and in keeping with the Government's social distancing measures, we will only be carrying out limited inspections of common areas for the time being. Residents can still report any issues to us on 0141 941 1044 or by emailing housingmanagement@clydebank-ha.org.uk or completing the form here <https://www.clydebank-ha.org.uk/housing/estate-management/>. Unfortunately, due to staff shortages at this time, we are only able to run a limited caretaking service at Radnor Park. We will continue to provide essential services like daily cleaning of lifts and foyers as well as waste management to allow tenants to continue putting small bags of rubbish down chutes.
