Regulatory Status: Compliant

Clydebank Housing Association Ltd (Clydebank) meets regulatory requirements, including the Standards of Governance & Financial Management.

COVID-19 has significantly impacted the services provided by social landlords in 2020 and will continue to influence how services are provided in 2021. We will continue to monitor, assess and report upon how each landlord is responding and we will keep our regulatory engagement under review so that we can continue to respond to the challenges of COVID-19.

We don't require any further assurance from Clydebank at this point in time other than the annual regulatory returns required from all RSLs.
